Dear all!

We are happy to announce that you **have been accepted** to the ISHA Summer Seminar "Building Cities, Creating Societies". The seminar will take place on 9-15 July 2018 in Warsaw. The full participation list is available on our website <https://ishawarsaw.wordpress.com/the-participation-list/>The general rules concerning the academic requirements can be found there, too. Can be found there, too. Your workshop leaders will contact you soon. Please follow their instructions: it is really important to stay in touch with them. Remember that we all are part of ISHA community and we want to learn from each other, so simply take your preparation seriously.

Don't panic - they will surely be helpful and understanding (so don't ignore their requests!)

*We are very sorry that we had to make a few changes after announcing the participation list, but don't worry - you are all still accepted :)

Participation fee:

You are asked to pay the first half of the participation fee **(40€) by 8th June**. If you are not sure if you can pay by that date, please let us know. As for the second part of the fee, it will be 40€, instead of 50€. However, you will have to buy the city tickets by your own. The reason for that is that some of you are eligible for less expensive fares. If you are **under 26** and have the ISIC card, you will pay 36 PLN (around 8€). If not, the cost will be doubled (72 PLN). Therefore, if you are under 26, we **highly recommend you** getting the ISIC card.

The second part of the fee is to be paid **by 22th June**. In case of cancellations before 8th June, you will get the full amount back. If you resign later, but before 20th June, we only keep the first part of your participation fee. In case of later cancellation, unfortunately you cannot receive your fee back. In case you pay both parts at once **(80€)** and you want to resign later, the same rules apply - by 8th June you get it all back etc.

EqualitISHA

We remind you about the EqualitISHA programme. If you find the participation fee too high but you still want to come, very probably you can get some refund. It highly depends on the contribution of other participants and will be not known to us before all the participation fees are sent. If you want to help other participants and pay more money, you are more than welcome. In case we get more money than necessary, we will be able to cover some additional costs.

ISHA membership

ISHA membership is **individual**, and it is necessary to be eligible to the regular participation fee. If you are a newbie and it is your first ISHA seminar, you are not obliged to pay the membership fee (10€). Active membership is valid for a year, so if you already paid it - you also don't have to worry. In other cases, you will be obliged to pay it - not to us however, but to the International Board. It can be made in cash after your arrival. It is also possible to apply for the **membership reimbursement**, but it is not up to us. About all the details please contact with secretary@isha.international. You may also just arrive and then learn if you should pay or not :).
