

Copenhagen, Denmark  
20th October 2023

## Certificate of Membership

This is to certify that **AMSB Bulgaria** is a **full** member of the International Federation of Medical Students' Associations (IFMSA). **AMSB Bulgaria** represents and actively supports the efforts of medical students in **Bulgaria**. **AMSB Bulgaria** facilitates international cooperation in the training of students and young professionals to the development towards being culturally aware and socially responsible physicians. This certificate is valid for use between the 1st of October 2023 and the 30th of September 2024, after which a new certificate will be issued in case of continuing membership in IFMSA.

The International Federation of Medical Students' Associations (IFMSA) is a non-political and non-profit organization recognized as one of the oldest and largest student-run organizations in the world. IFMSA is officially registered in the Chambers of Commerce of both the Netherlands and Denmark with its General Secretariat being in Copenhagen, Denmark. IFMSA was established in 1951 after the end of the Second World War to serve as a platform for unity, collaboration, and peace among medical students. IFMSA has a broad representation of 138 National Member Organizations (NMOs) from 129 countries across the world and is working in close relations with several Non-Governmental Organizations.

IFMSA has a special consultative status within the United Nations and has been recognized as a representative of medical students worldwide by the World Health Organization (WHO) and the World Medical Association (WMA). The activities of IFMSA range from raising awareness on public health, human rights and issues regarding reproductive health and rights to involving students actively in the reforms of medical school curricula and medical education at large. For more information, please visit [ifmsa.org](https://ifmsa.org).

We would like to kindly ask all institutions involved to provide all the necessary support to **AMSB Bulgaria** in order to increase the involvement of medical students in global health and help in capacitating medical youth with knowledge and skills necessary to lead within various fields of the medical profession.

Please do not hesitate to contact me if you need further information.

Yours faithfully,

**Mikołaj Franciszek Patalong**

IFMSA Vice-President for Activities, serving also as Secretary General  
International Federation of Medical Students' Associations
